Requirements for Award of the Record of School Achievement (RoSA)

To qualify for the award of a RoSA, a student must have:

- attended an accredited school;
- undertaken and completed courses of study as outlined on the previous slide;
- complied with any other regulations or requirements (such as attendance) imposed by the Minister or NESAs; and
- completed Year 10.

Grading

- A** • The student has an extensive knowledge and understanding of the content In addition, the student has achieved a very high level of competence in the processes and skills etc.
- B** • The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills.
- C** • The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.
- D** • The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.
- E** • The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

Subject Choices

PLUS

Must do

- English
- Mathematics
- Science
- History
- Geography
- PD/Health/PE

3 courses from the elective list that you will study in 2020.

You will have the opportunity to choose another 3 electives for 2021 next year.

NOTE: *All electives are 100 hour courses and some (those with an asterix on the summary page) will not appear on your RoSA.*

Subject Contributions

Some electives involve “costs” that include:

- Cost of materials used by students
- Specialist learning materials such as software
- Subject consumables
- Student workbooks
- Servicing equipment

Working toward your HSC

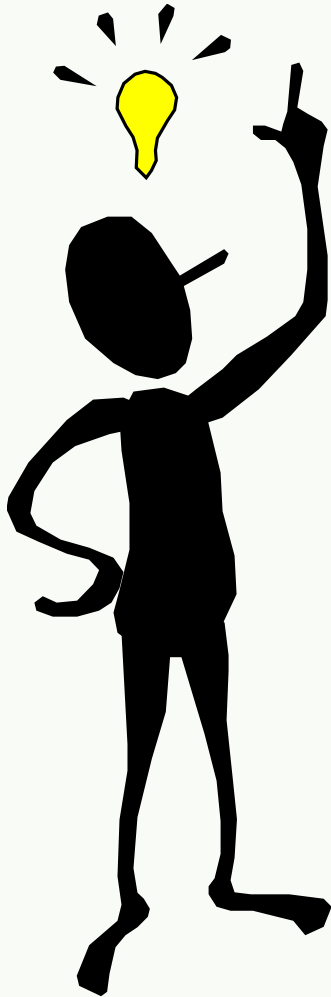

- The only compulsory subject in the HSC is 2 units of English.
- With the exception of Continuers Languages, all HSC courses start in Year 11.
- All students must also attain a minimum standard in Reading and Numeracy.
- Our best HSC results are from students who follow their passions.

Accelerated courses

- Information and Processes (IPT)
- Investigating Science
- Mathematics Advanced and Extension 1
- Design and Technology

Expressions of interest in accelerated courses is a separate process involving a written application – see the back of the subject selection booklet.

Good Advice!

Choose:

- ◆ What you are good at
- ◆ What you enjoy
- ◆ What will help in your future studies

If in doubt - ASK

Who Do I Ask ?

- Mr Maclean
- Mr Lucas
- Ms Young
- Mrs Poppett
- Ms Pollock
- Head Teachers

➤ *Make your selections by midnight Sunday 21 July*

➤ *Remember to choose 7 subjects in order of preference (even if you are applying for an accelerated course)*
