

CORRECT UNIFORM

LOWES at Miranda and CLAUDINES at Caringbah have our uniform options. Pre-loved uniforms can also be purchased from our school uniform shop.

We have provided the uniform options requested by the school community. All uniform options must be worn as they have been designed. No brand name tags or logos are to be worn on any item of uniform. Simple jewellery may be worn.

As indicated below, our school tracksuit jacket can be worn as part of general uniform, however the 'full' tracksuit can only be worn on sport days, PE days, or on days when representing the school at sports events. Any student not wearing the correct uniform must obtain a uniform pass from either the office if the student has a parent note, or from a Deputy Principal if the student has no parent note.

We look forward to the cooperation of parents and students to help make our school's uniform the equal of our academic and co-curricular excellence.
