LEADERSHIP CAMP

Early this year, the SRC ventured to Stanwell Tops for SRC Camp. The annual event is centred around the development of leadership skills, as well as bonding amongst members and the planning of school events for the coming year. The focus of this year's camp was to embrace both old and new ideas and new ways of thinking. From survivor challenges to icebreakers and the planning of future initiatives, the group developed a formidable connection and strong leadership skills.

Valentine's Day is undoubtedly one of the most anticipated SRC events of the Caringbah High School year; a day to spread the love! Cupids welcomes students through the school gates and then visited classes to deliver serenades, lollipops and, of course, hundreds of roses. This year, over 1500 roses were sold, along with hundreds of heartfelt messages to teachers, friends and crushes. The celebrations continued at lunch time with a Valentine's Day themed photo booth, as well as a raffle for movie tickets for two.
